@ApgarMegan @alexstubenbort really? My Ss usually beg me for more coding, and then ask their Ts to demo learning via coding #edtechchat

Dawn Bick liked megan apgar @ApgarMegan 52m Q3: They need to let go a little bit and allow students to explore. #edtechchat

in reply to Alex Stubenbort

Owen Peery @owenpeery 51m @alexstubenbort @ApgarMegan Def the Ss that make me move forward, need As and Ts to get on board #edtechchat

Bill Black liked megan apgar @ApgarMegan 52m Q3: They need to let go a little bit and allow students to explore. #edtechchat

@AlexVKluge Great idea. Posting videos/pictures of the students actually at work during the day #edtechchat

Bill Black liked megan apgar @ApgarMegan 40m @AlexVKluge Great idea. Posting videos/pictures of the students actually at work during the day #edtechchat

Megan Whitney @MeganAWh... 40m That would be awesome! And a great community builder if done at the school. Don't make it homework. #edtechchat

megan apgar @ApgarMegan Q4: Have a STEM night where the parents can come in and work together with their child in different areas. #edtechchat
